*Resolved*, 2d, That we approve of the recent change the Society has made, in withdrawing all Assistant Agents of the American Bible Society, from the home-field, and reducing the number of the District Superintendents, from forty to eighteen, and thereby reducing the expenses more than half.

*Resolved*, 3d, In as much as this important interest is now largely to be carried forward by the Pastors and Churches, we therefore pledge our hearty co-operation with all the Auxiliary Local Bible Societies, within the bounds of this Conference, and that as Pastors, we will preach upon the subject and take up an Annual Bible Collection in all our Churches.

*Resolved*, 4th, That we recognize with pleasure, the recent appointment of Rev. A. S. Hunt, D. D. as Secretary of the American Bible Society, as one eminently wise for the Society, and highly creditable to the M. E. Church, of which he is the representative in that office.

### III. STATE CAMP GROUND.

We have carefully considered the interest of the Church in this department of her work; and would recommend the appointment of J. T. Simmons and I. P. Teter, Trustees, and W. H. H. Pillsbury, J. C. W. Coxe, E. L. Schreiner, George Haw and J. W. McMullen, Directors.

W. F. COWLES, Secy.

#### IV. STATE OF THE CHURCH

We recognize the divine character of the Christian Church, as it is written, "The body of which Christ is the head," and as "The bride, the Lamb's wife." We recognize the mission of the Church, as "the light of the world," as appointed to overcome all things inimical to the Kingdom of Christ, "By the blood of the Lamb, and the word of their testimony."

We recognize the great duty of the Church to preach the gospel of Christ to a lost world, and hence while we hail with gratitude, all other helping agencies, we would emphasize the importance of the apostolic injunction, "*Preach the Word,*" and also "It hath pleased God by the foolishness of preaching to save them that believe."

We rejoice in the blessings which God has poured upon the Church, for his presence in her midst, His watch care over her; His pledges of fidelity to her; His promises of future blessings, by which she is better qualified than ever to Evangelize the world. We rejoice that God has led the Church to great material wealth, to a high degree of culture, has increased our membership, and number of our churches, that our press and pulpit are active and emphatic in propagating the truth as it is in Jesus; that our people are drinking deeper and deeper at the fountain of life, and are working more and more earnestly in the Master's cause, and are contributing more and more liberally to advance the interests of the Redeemers Kingdom, and that before us are the greatest possibilities of usefulness. Yet there are many things which we most deeply deplore, such as a spirit of conformity to the world; too low a standard of personal piety; too great indifference to the connectional interests of our church; the want of a rigid enforcement of discipline and our Church Covenants; too little earnestness and wisdom in preaching the great doctrine of the Bible, especially such as the Justice of God, as well as his mercy; the retribution of hell, as well as the rewards of heaven. Therefore, we pledge ourselves to a greater devotion to the cause of Christ and to the economy of our Church; to more caresulness in the enforcement of discipline; to raise a higher standard of personal and collective piety; to greater activity in our connectional work and to declare "The whole Counsel of God" that the Church may "arise and shine" and reach the high design of Christ, "a peculiar people zealous of good works."

R. B. ALLENDER, Chairman.

#### V. SALE OF CHURCH PROPERTY.

Having heard the statements concerning the parsonage property belonging to Springfield Circuit, and which they desire to sell, with a view of re-investing the proceeds in other property at another point on the circuit, we recommend that permission be granted to sell said property.

JOHN HAYNES, Chairman.

#### C.—COMMITTEE ON EDUCATION.

The Committee on education after carefully considering the petitions and resolutions referred by the Conference concerning the unity of our educational interests in this State, in a Central University preserving at the same time according to the recommendation of our discipline the schools already in existence as tributary to such University would respectfully suggest.

That we have passed beyond the period of zealous but inconsiderate planting of institutions of university pretensions but limited in reality to a minor grade by meager endowments; by pent up territories and insufficient patronage.

Entering as we are now upon a more permanent order of things in the social, religious, and material life of the state, we believe the time has come to lay educational foundations upon which future generations can build. In all things from the creation of a Universe to the making of a pin intelligent design and purpose preceding that which comes into being. In order that all the essential conditions of wisdom in planning and vigor in execution may guide in the inauguration of a movement so important and desirable we recommend the creation of a commission by this Conference consisting of five persons who shall be members of a joint commission to be created by the Annual Conferences of this State and limited to five persons from each Annual Conference. We nominate for election the following brethren to constitute the Commission from the Iowa, Annual Conference, namely: W. J. Spaulding, J. T. Simmons, D. Murphy, W. H. H. Pillsbury, B. Mark. Furthermore, we recommend that what relates to this proposed unification in this report be forwarded by the Secretary of this Conference to the other Conferences of our State this Autumn soliciting their cooperation and the appointment of commissions.

2. We nominate to fill the vacancy in the board of Trustees of the Iowa Wesleyan University of the first class: G. N. Power, I. P. Teter, J. Wheeler, M. M. Walden, G. Haw, A. M. Antrobus. Furthermore, we recommend the election of the following persons as visitors for the current year: J. B. Barton, F. W. Evans, C. B. Clark, D. A. Watters, A. Kershaw, J. M. Mann, J. W. Wright; and as visitors to the Garrett Biblical Institute, D. Murphy and J. C. Brown.

We would also recommend that the communication from the Trustees and Faculty of Garrett Biblical Institute, be read before the Conference, and that the following preamble and resolutions be adopted:

WHEREAS, For almost a quarter of a century, Garrett Biblical Institute, the only Theological school of the Methodist Episcopal Church of the North-West, has been enabled to furnish instruction and training to upwards of a thousand young men, most of whom are in the ministry of the Methodist Episcopal Church, fifteen of them in India and China alone; and,

WHEREAS, The entire maintenance of the school has been derived from an endowment given by a single Christian woman; and,

WHEREAS, In the stress of "hard times," without mismanagement or prodigal expenditure upon the part of the Trustees, the endowment has been greatly impaired, and the income of the school entirely cut off, so that its work cannot be continued without aid; and,

WHEREAS, The proofs of Divine approval in the past and the imperative need of the present, indicate that the Church ought not to abandon the Institute or recede from the work of ministerial training; therefore,

*Resolved*, 1. That we will take a collection in our respective charges in behalf of the Institute; any excess of amount above current expenses to be added to the endowment fund.

2. That we will take this collection the 1st Sunday in November, unless imperative reasons should justify a postponement, and in the event of postponement, the collection shall be taken the Sunday following.

D. MURPHY, Secretary.

#### D.—GARRETT BIBLICAL INSTITUTE.

Your committee of visitors to Garrett Biblical Institute, submit the following:

We found the Institute well attended by a large number of fine young men, possessed of a deep religious spirit and of close application to study. The number of graduates were twenty-four. Their examinations and thesis were of a high order, indicating ability for great usefulness in the ministry, and all of them went immediately to fields of labor which were awaiting them.

The instructions of the faculty, judged by the examinations and the addresses of the students, is careful, critical and able, and these same self-sacrificing men declare their determination to furnish the same ample facilities for the ensuing year, whether they are assured of salary or not.

The Institute is sadly embarrassed financially, because of the decrease in rents as indicated in last years reports, and must and does appeal directly to the church for help, without which it cannot be sustained.

We feel impressed that the church should give the most hearty endorsement to this valuable and important Institute, and pledge to it the utmost moral and financial support consistent with our other church interests; and also give hearty endorsement to the appointment of W. C. Dandy as agent, and heartily cooperate with him in his work.

J. T. SIMMONS,  
S. S. MURPHY.

## VIII. FEVER STRICKEN SOUTH.

WHEREAS, That tearful scourge the Yellow Fever is now an epidemic among our Southern brethren and is daily increasing in malignity and direful results by depopulating cities; by destroying trade and commerce, and by paralyzing the faith-nerved arm of christian propagandism. Therefore,

*Resolved*, 1st. That we deeply sympathize with the people in the entirety of their social organization in this their hour of inexpressible sorrow and pray that the Great Jehovah would mercifully arrest the progress of the destroying Angel.

*Resolved* 2nd, That according to our ability we with our people will cooperate with the Committees where we may reside, for the purpose of raising funds to minister to the necessities of the fever-stricken districts.

W. F. COWLES, Chairman.

## IX. FREEDMAN'S AID.

The Freedman's Aid Society of the Methodist Episcopal Church has the past year prosecuted its important work successfully. It maintains at prominent centers throughout the Southern States schools for the education of colored young men and women. At New Orleans, at Atlanta, Ga.; Orangeburg, S. C.; Holly Springs, Miss.; and Nashville, Tenn. are chartered institutions, with College powers at which classes are yearly graduated in various courses of study. In each of these institutions there is a theological school, besides the Centenary Biblical Institute at Baltimore, M'd. Medical schools have been established in connection with the schools at Nashville and New Orleans, where during the past year more than a score of young men have been in training for the Medical profession.

Besides these twelve other institutions are maintained in ten different states of the South, in which classes of various grades are taught.

In all these schools, three thousand one hundred and seventy students were taught during 1877, and of these about 1500 are studying for the ministry and to teach.

The great work of this Society is to educate ministers and teachers. In every Southern Conference where there are colored ministers, there are those who have spent more or less time in some one of our schools. It is impossible to estimate the glorious results already achieved by these schools in helping to furnish an advancing ministry to our vast colored membership. Besides hundreds of colored young men and women are now teaching throughout the South who have been trained in these institutions.

The work done by these schools cannot be done by the public schools. Even if the necessary studies were taught in these schools, the discriminations against people of color would prevent them from having a fair chance to pursue them. Besides, Methodist schools can alone give to the Methodist church successful Methodist preachers and teachers.

This Society is acquiring valuable real estate at all points where schools are located, which will be for all time, a permanent investment in the great work of elevating a race.

During the ten years of the existence of the Society \$652,449.55 have been raised and expended. During last year the receipts were \$70,442.65, and of this, \$46,111.51 were contributed directly by the churches, the remainder having been given by special donations. The Iowa Conference gave last year \$259.66, which was a slight decrease from the year before. Out of the one hundred and six pastoral charges there were twenty-six which took no collection, and the average per member, for this important work, was but 1½ cents.

Your committee is profoundly impressed with the imperative demand for greater earnestness in the presentation of the Freedmen's Aid cause, by the preachers to our congregations. Let the facts be known as collated in the admirable annual reports of the Society. Let the imperative necessity of immediate action be stated and enforced. Powerful influences for evil, are at work to lead the colored people from Christ, and because of their susceptibility, arising from their ignorant and degraded condition, they must be saved quickly if at all. One half the colored people of America are under the direct influence of Methodism in one or the other of its branches, chief among those is our own church. Hence, our greater responsibility before God, for the salvation of this people,

N. WELLS, Chairman.

## X. COMMITTEE OF INQUIRY.

Your committee appointed to make preliminary inquiry into the case of Rev. Joseph P. Rice, report that they have inquired into the matter as far as opportunity allowed, and recommend that his case be referred to the Presiding Elder of the Keokuk District for trial, and that Rev. W. E. Patterson and J. W. Wright be appointed to prosecute.

J. W. McDONALD, Chairman.

## XI. MEMOIRS.

### 1. MINISTERS.

REV. JOHN WESLEY HUGANS was born in the State of Missouri, and reared in Preston Co. W. Va. He was converted in early life, on the Brandonville Circuit, and received into the M. E. Church by Rev. W. C. Wilson. Soon after his conversion he was deeply impressed with the fact of his call to the Christian Ministry and began at once to educate himself with reference to that great work, and was for some time a student at the West Va. University. By close application and hard study, he acquired considerable culture, and scholarly attainment.

He was licensed to preach by the Quarterly Conference of Pruntytown Circuit in the year 1871, and traveled under the Elder on that circuit with great acceptability. In the year 1872 he traveled as a supply on Monongahela Circuit. His labors on this circuit were highly appreciated, and at the close of the year he was unanimously recommended by the Quarterly Conference as a suitable person to be admitted into the traveling connection, and was received by the West Virginia Conference on trial at its session at Guyandotte March, 1873, and was appointed to West Milford Circuit where he was universally popular. At the session of the Conference at Fairmont March, 1874, Bro. Hugans was appointed to the Wilsonburg Circuit. In the Spring of 1875, he was ordained Deacon, and reappointed to this circuit. In the year 1876, he was appointed to Guyandotte Station, and in 1877, he was ordained Elder at Grafton, and returned to Guyandotte.

Near the close of this Conference year very much against the wishes of the people, at his own request he was transferred to the Iowa Conference, and in September appointed to Columbus City and Coneville Circuit. He entered immediately upon his work with great hopefulness and acceptability. But scarcely had three months elapsed before he was seized with a fatal disease, an affliction of the spine which paralyzed his lower limbs, and in a manner his bowels and kidneys, and for some months he trembled in the scale between life and death until at last weary nature sank beneath the stroke of the king of terrors and all was over. His sufferings were borne with great patience, and his end was very peaceful. He breathed his last and entered into rest, Friday, April 12th, 1878, and was buried in Columbus City cemetery. As a man, Bro. Hugans was pure and a perfect gentleman. As a friend, he was true and constant. As a christian, most exemplary uniform and cheerful. As a preacher, earnest, eloquent and successful.

Although removed by the providence of God from the church militant in the morning of life, he has many seals to his ministry.

O. P. LIGHT, Chairman.

REV. SILAS T. LUDWIG was converted and joined the M. E. Church, in the 13th year of his age. He was licensed to preach on the Kellogg Circuit, in the year 1876, and was recommended the same year, as a suitable person to be admitted on trial into the traveling connection, but there being no room in the Conference, he returned home and labored faithfully that year, preaching when and where he could. In 1877, at the Conference held at Fairfield, ne was admitted and appointed as junior preacher on the Durham Circuit, where he labored as a true "Yoke fellow" in the gospel, until prostrated by disease.

Bro. Ludwig was a man of fair education. He was for some time a student of Grinnell College, during his term at College, as well afterward, he applied himself closely, and seemed to be deeply impressed with the importance of fitting himself for the highest usefulness in the Church which he ardently loved, and for which he faithfully labored.

His deep piety, and genial loving nature, brought around him many friends and admirers, and he was universally beloved.

His disease was abcess on the Lungs from which he suffered much, yet he suffered patiently. He entertained the hope of recovery until the night before he died. When it became apparent that his end was near, he calmly informed his father, mother, and friends of the fact, and while during all his illness, he enjoyed the presence of God, now His presence seemed specially manifest. He was exceedingly happy giving praise to God. He thus passed away in holy triumph, July 20th, 1878.

O. P. LIGHT, Chairman.

## II. MINISTER'S WIVES.

### *Mrs. Jane Johnson Briggs.*

In Grinnell, Iowa, June 20th, 1878, after a severe and lingering illness of about fifteen weeks, Jane Johnson Briggs, wife of E. L. Briggs of the Iowa Conference, and daughter of Abington and Margaret Johnson of Olathe, Kansas, in the fifty third year of her age, closed in the triumph of a living faith, a life of earnest labor and great usefulness in the cause of the Lord Jesus Christ.

Sister Briggs was born in Clark Co., Ill. Her parents afterward emigrated to Iowa and settled in Van Buren Co., where at a camp meeting, under the preaching of Rev. Thomas Kirkpatrick, she was happily converted to God, and united with the M. E. Church, of which she lived an exemplary member until the day of her death.

Her life was fully consecrated to the work of the Master, and she seemed to live only for her family and the Church. Possessed of a clear and vigorous intellect, of unusual energy and powers of endurance, she accomplished a work that few persons are able to do.

Like an angel of mercy, with words of encouragement and cheer, she stood by her husband, accompanying him to his fields of labor, sharing his toils, and with her heroic spirit strengthening him for the labors and sacrifices of the hour. Connected with the Itinerancy in the early days of Methodism in Iowa, and subjected to many hardships and privations, yet she was never known to complain. In the field assigned, she always saw God's heritage, and entered it with a soul intent on doing her utmost to glorify God in it. On the Circuit, in the Station or on a District, she was always the same. She had but one work, and that she never lost sight of. Tenderly devoted to her husband and children, ardently attached to the Church of her choice, she labored incessantly for the promotion of their interests until called to her reward in the skies.

Her illness, though very painful and lingering was borne with true christian patience and resignation; never was she known to murmur or repine at

the providence of the Master, and when the last hour arrived, she met the messenger with fortitude and resignation. In regard to her departure—she conversed calmly and freely, frequently expressing great delight in the consciousness that she had in early life dedicated herself to God, and traveled life's journey under the direction of her Lord. In conversing with a friend, she said, "Oh how glad I am that I did not put off a preparation for death until now." "A sick bed is a poor place on which to do a work that ought to be done in health."

She died as she lived, a devoted wife and mother, a faithful christian, and a true and constant friend. She leaves a husband and four children together with a large circle of friends to mourn her loss.

T. E. CORKHILL.

*Mrs. Lucy Shelton.*

Lucy, daughter of William and Nancy Carnitix, was born in Monroe County, Virginia, April 1st, 1816. While she was yet an infant her parents removed to that part of the state which is now Fayette county, West Va., and made improvements at what is mentioned in the history of the late Civil war as Carnitix Ferry, the scene of one of the early conflicts in the contest.

It was here that she was reared to womanhood, and here when 19 years of age, under the ministration of Rev's David Reed and J. A. Brooks of the Ohio Conference, she was joyfully converted and united with the M. E. church.

For 43 years she was a most unwavering follower of her Divine Master, and member of the church of her early choice.

On the 15th day of January, 1839, she was married to Rev. O. C. Shelton, by whom she had six children, four of them,—one son and three daughters,—are yet living. She breathed her last Feb. 4th, 1878, having sustained the relation endured the hardships and privations of the wife of an itinerant for 39 years and 20 days.

Two great motives seemed to be the aim of her most active life; first the salvation of the people and the building up of the church, and second, the well-being, and especially the thorough education of her children.

It was a result of her economy and toil, that three of her children were graduates of the Iowa Wesleyan University, and the other two, then living, advanced as far as health and age would permit.

The last months of her life were filled with suffering—

At the family altar she had often prayed; "Give us a peaceful hour in which to die," and, at the last, peace came.

Almost her last words were a longing to go home to Heaven. "I am so tired,—I want to go to sleep."

O. P. LIGHT, Chairman.

*Martha A. Smith.*

Mattie A. Smith, daughter of Dr. Joel H. Asher, was born Missouri, November 14th, 1844. She was converted in early life, and joined the Methodist Episcopal church. In 1869 she was married to the Rev. D. B. Smith, of the Iowa Conference, and entered immediately upon the care of a large family, the children of his former wife. Until the death of her husband, in 1874, she held the delicate and responsible position of the wife of a pastor, to the great advantage of the church wherever he labored, and after his decease, she remained with the family at Centerville, the place of his last appointment. Here she served the church with great zeal and efficiency, and sought to promote, by her influence, the good of the whole community. In the Summer of 1877, in company with her invalid father, she went to Kansas. Dr. Asher died in a few days, and the shock of his death seems to have accelerated the disease which had already laid its hand upon her. She died in great peace, in Lawrence, Kansas, August 31st, 1877, of consumption. Her works do follow her.

## XII. PEACE SOCIETY.

Your Committee to whom, was referred the design and labors of the American and kindred Peace Societies, submit the following:

WHEREAS, Offensive war is essentially at variance with the teachings of Christ, and inefficient as a means of redressing wrongs, and inflicts many and grievous wrongs upon individuals and governments; therefore

*Resolved*, 1, That we hail with devout thanksgiving to God the cessation of war, and the establishment of the Christlike principle of arbitration as the settlement of all national difficulties.

2. That loyalty to the Prince of Peace, obligates all Christian Ministers and churches to oppose in all proper ways, the principles and practices of war.

3. That we pledge ourselves to cooperate with Peace Societies as such, and all Christian churches, in extending and more firmly establishing the principles of "Peace on earth and good will toward men."

T. E. CORKHILL, Chairman.

## XIII. PERIODICALS.

Your committee would respectfully call attention to the high character of our church literature. We would especially commend the Methodist Quarterly Review, to all our ministers and official laymen as the ablest periodical of its class in America. We would also commend to all our people the Central Christian Advocate as being not only our own Conference paper, but as being the equal of any paper published by the church. We would also commend the National Repository and Golden Hours as being well adapted to their respective fields of usefulness, although we regret the meager patronage they have heretofore received. We hope too that our Sunday Schools will patronize our Sunday School literature than which there is none better in the world. We sincerely hope that the time will come when our people will discard all questionable literature both in the family and Sunday School and patronize only that of the character of which there could be no doubt. Our own publications meet this requirement. M. BAMFORD, Chairman.

## XIV. PERIODICAL AND BOOK ACCOUNTS.

WHEREAS, From the origin of the Book Concern to the present, its funds have been faithfully guarded, and we think in the main wisely used. Therefore

*Resolved*, 1st, That it is a source of great satisfaction to know that the brethren of the Conference are making a strong effort to settle their open accounts.

*Resolved*, 2, That it is a source of regret, to know that more than \$3,000 are still due the Book Concern, from this Conference, mainly old accounts and notes.

*Resolved*, 3, That we urge upon our brethren of this Conference, to make every effort possible to liquidate these claims, and to send something on their notes and accounts, every month until their indebtedness in entirely removed.

WM. E. PATTERSON, Chairman.

## XV. SANCTITY OF THE SABBATH.

Your committee respectfully present the following report, viz:

While the church of this generation presents a remarkable degree of activity and enterprise in the erection of handsome places of worship, with spacious lecture and Sabbath School rooms; in building mission chapels in destitute places; in sending pioneers to the outposts at home, and missionaries to plant the cross of Christ abroad; it seems to us that this is a time when it is as necessary to guard and perpetuate as build and beautify. At no time perhaps in the history of our country has there been a more determined effort to destroy the sanctity of the Sabbath, and make it a day of parade and convivial pleasure instead of a day of devout worship. This is especially true of certain localities. Our larger towns are beginning to suffer the same annoyance that our great cities have felt for years. Congregations and private families have been disturbed and greatly annoyed by persons in large numbers parading the streets, and engaged in deliberate Sabbath desecration. Therefore,

*Resolved*, 1st, That we will seek to promote to office men whose moral convictions are on the side of Christian civilization.

2d. That we will appeal to the civil authorities for the enforcement of our laws relating to Sabbath desecration.

3d. That we will as far as possible, prevent Sabbath visiting among our people as well as unnecessary manual labor.

4th. And that we will seek, in our pulpit ministrations, to enforce the 4th Commandment, and to make God's Sabbaths a delight.

J. C. BROWN, Chairman.

## XVII. SUNDAY SCHOOL UNION.

To aid in this important department of Church work, your committee submit the following recommendations:

1st. An increased zeal in maintaining all our Sabbath Schools during the Winter season.

2d. That no pastor give his consent to the use of Sabbath School publications not provided by our own Church, to the exclusion of our own.

3d. That the pastor conduct a weekly Teacher's Meeting, where a suitable layman cannot be secured for this work.

4th. That each District give one day of the District meeting annually to the work of a Sabbath School Institute.

We suggest that the following persons be appointed to make addresses at the next Sabbath School Anniversary of this Conference, viz: John Haynes and W. G. Wilson.

IRA O. KEMBLE, Chairman.

## XVIII. TEMPERANCE.

We rejoice in the growing opposition manifested by the people against the manufacture, sale and use of intoxicating liquors.

We recognize the hand of Providence in the great work against intemperance, which has been wrought during the past year, and believe that the Church should seek every opportunity to identify this movement with her general work.

We still believe that the use of alcoholic wines in the Sacrament of the Lord's Supper, has proved a snare to some who have formerly been addicted to habits of intemperance. Therefore,

*Resolved*, That we will continue to use only unfermented wine, in the administration of the Lord's Supper.

*Resolved*, That we will use all lawful efforts to suppress the liquor traffic.

*Resolved*, That in voting for civil officers we will be careful not to vote for men known to favor the manufacture, sale or use of intoxicating liquors as a

beverage, and that as pastors, we will warn our people against voting for such men.

*Resolved*, That we will give unceasing effort to secure total abstinence for the people and prohibition for the State. GEO. M. TUTTLE.

## XIX. TREASURER OF CONFERENCE BOARD OF TRUSTEES.

To the Iowa Annual Conference of the Methodist Episcopal Church:

I herewith present my report as Treasurer of the Board of Stewards of this Conference. Feb. 24, 1877, cash received of John Haynes \$16.00. March 26, 1878, cash received of J. Julian \$5.00. March 26, 1878, cash received of Geo. Tool, \$5.00. April 9, 1877, cash received of J. Hunter, \$2.00. Interest on above to date, \$2.96, making total cash on hand at this date, \$30.96.

I have in my possession the following notes, viz:

- 1 note on J. Julian for \$25.00, paid on same \$5.00, balance due \$20.00.
- 1 note on Geo. Tool for \$25.00, paid on same \$10.00, balance due \$15.00.
- 1 note on J. Hunter for \$5.00, paid on same \$2.00, balance due \$3.00.
- 1 note on Nancy Miller for \$5.00, paid on same \$1.00, balance due \$4.00.
- 1 note on W. R. Fisk for \$5.00, paid on same \$1.00, balance due \$4.00.
- 1 note on J. W. Shaw for \$5.00, no payment, balance due \$5.00.
- 1 note on J. Hutchinson for \$5.00, no payment, balance due \$5.00.
- 1 note on J. Frasier for \$5.00, no payment, balance due \$5.00.

I have notified all the parties above named, of the amounts now due on their notes, and have requested payment, but the extreme stringency in money matters has no doubt been the cause of some of them not responding.

GEORGE HAW, Treasurer.

## XX. TOBACCO.

Your Committee on Tobacco would report as follows:—The use of Tobacco is very prevalent and enormous sums of money are expended in this hurtful traffic. Many of our own people spend in this way what justly belongs to God.

The use of Tobacco is, in most cases, undoubtedly injurious to the body and mind, if not to the moral nature also. In many cases it lays the foundation for, and leads to indulgence in worse things. Certainly christians should abstain from its use. Especially do we regret, that many of our preachers still use tobacco, notwithstanding the well known wishes of the people, and the previous action of this Conference on the subject. We are convinced that by this habit they set a bad example, and are shorn of much of that influence for good which a preacher should covet above all things, therefore

*Resolved* 1st, That we will faithfully present this subject to our people, warning the free against the habit, and exhorting the enslaved to throw it off.

*Resolved* 2d, That we will admit no one into this Conference who will not promise to abstain from the use of tobacco forever.

*Resolved* 3d, That we earnestly and affectionately request such of our members as use tobacco in any form, to refrain from it at once and forever—and that for the sake of Christ and humanity. P. F. HOLTZINGER, Chairman.

XXI. WOMAN'S FOREIGN MISSIONARY SOCIETY.

WHEREAS, It is the object of the Woman's Foreign Missionary Society, to elevate the women of heathen lands who are beyond the reach of the methods of the Missionary Society of the Church and

WHEREAS, God has indicated by His spirit, and the women proven by their success in their labors, their adaptation to, and suitability for this great work, and

WHEREAS, There is brought to the church a powerful missionary agency, working under the supervision of, and in harmony with the Missionary Society of the M. E. Church, therefore

*Resolved*, That as pastors, we will listen to the appeals of our sisters, bid them God-speed, and give them all the aid in our power, by encouraging and assisting in the organization of auxiliaries in our charges, and in using our influence in sustaining them, believing that every auxiliary, well sustained, will work good in our charges, by giving a more general diffusion of missionary intelligence, a deeper religious experience, and a more healthy activity to our membership.

*Resolved*, That we highly commend the judgment of the Society, in the appointment of Sister Jennie Beck, as Conference Secretary, and that we more than ever appreciate her earnest efforts in forming and strengthening auxiliaries and we will assist her when she visits our charges.

J. B. HARDY, Chairman.
